

Teen Mission Trips

Teens from southwestern Minnesota have traveled to many states to help with vacation Bible schools and other outreach activities. Contact Brandon Steenbock to learn more about what a mission trip involves or if you have questions about planning a trip.

Builders For Christ

Many churches and parsonages have been built over the past years by WKW Builders For Christ. If you have people with construction skills and a desire to be part of something wonderful, tell them about this organization. For more information contact Allan Stelljes or Lloyd Schauer.

Engaging Christians in Outreach Ministry

WELS Kingdom Workers “engages Christians in outreach ministry.” Your chapter board would like to share with your congregation, school, Sunday School, or church group more details about WKW. Read and see what we can provide for you to help your congregation members learn more about WKW and its service opportunities.

WKW Sunday

Included with this brochure, please find a possible plan for a service at your church as prepared by the national office of WKW. Rev. Charles Degner, Rev. Roger Woller, or Vicar Rodrigo Concha are available to preach for that service and lead Bible classes. Jim Renz directs the Minnesota Valley Chorale and they also welcome opportunities to sing at neighboring congregations.

Do you have a church home?

Knocking on doors and inviting people to church is one way WKW does outreach ministry. There are many more to invite. We may never know if our canvassing efforts cause faith to grow. We do know that we do what workers in God's kingdom do—we share the love of Christ and plant seeds of faith. May God bless the harvest!

Call Edie Ash to find out if we could help you with a canvass.

Hispanic Outreach

Hispanic Outreach has been a focus of our chapter for many years. This outreach is happening in towns like St. James and St. Peter. We welcome opportunities to tell you more about this ministry.

¡amigos en Cristo!

Rodrigo Concha, our Hispanic vicar will gladly come and share what he is doing. Rev. Charles Degner, Jim Renz, or Karen Grunwald are also willing to come and speak to your groups about this exciting ministry.

This logo was designed for our Hispanic outreach. Other WKW chapters are also using this logo.

Perhaps your Christian Day School, Sunday school, Bible class, or women's group is looking for a mission project to support. Our Hispanic Outreach project is a wonderful example of mission outreach in our region. We can provide speakers for your school or group.

We have some related art projects planned and we'll provide them for any group that allows us to tell you more about being "Friends in Christ" with the Hispanics in Southwestern Minnesota.
